Dear Gentlemen

Enclosed for your review are two copies of the "Fourth Quarter RFCA Groundwater Monitoring Report for Calendar Year 2001, RFETS" There were no reportable results greater than Tier I Action Levels There were 18 reportable results greater than Tier II Action Levels during this quarter's monitoring No new monthly sampling is planned as a result of this quarter's data. Monthly samples collected from plume extent wells 02197 and 23096 for nitrate/nitrite, and for plutonium-239/240 analysis, respectively, because of the last quarterly analyses indicate results below the Tier II Action Levels If you should have any questions or comments you may contact me at (303) 966-2282 or Scott R Surovchak of my staff at (303) 966-3551

Sincerely,

Joseph A Legare  
Assistant Manager  
for Environment and Stewardship
